Summary

Results-driven sales professional with a robust foundation in strategic account management and business development across diverse markets. Adept at building and nurturing high-impact client relationships, optimizing revenue channels, and delivering tailored solutions to meet complex client needs. Poised to leverage expertise in market expansion, CRM-based pipeline development, and cross-functional collaboration to drive sustainable growth in a dynamic B2B sales environment. Passionate about bringing innovative sales strategies to new challenges and contributing to a high-performing sales team.

Experience

Business Development Executive – Ziff Davis, Performance Marketing — Aug 2025 – Jan 2026

- Generated qualified appointments through outbound prospecting across email, phone, and LinkedIn outreach.
- Worked closely with sales leadership to refine target accounts and improve appointment-to-meeting conversion rates.
- Maintained and updated CRM records to ensure clean pipeline tracking and accurate reporting.
- Collaborated with internal teams to tailor outreach messaging and improve response rates.

Sales Development Representative – Unbound B2B — Mar 2025 – Jul 2025

- Spearheaded outbound prospecting across global markets via cold calls, email campaigns, and LinkedIn outreach, generating a steady flow of qualified leads.
- Conducted discovery conversations to assess client needs, qualifying prospects against ideal customer profiles to drive high-quality sales opportunities.
- Coordinated strategic demos and meetings between leads and Global Account Directors, accelerating deal progression and improving conversion rates.
- Designed and optimized CRM workflows, co-developing the HubSpot Dream Plan to streamline lead tracking and boost team productivity.
- Partnered with marketing to enhance lead generation strategy and delivered detailed pipeline reports to senior leadership for data-driven decisions.

Assistant Sales Manager – Atica — Feb 2024 – Present

- Provided sales support for multi-branded hotels across the USA, developing and executing strategies to consistently exceed revenue targets.
- Built and maintained a high-performing sales pipeline using CRM systems, improving efficiency and accelerating the sales cycle.
- Conducted bi-weekly strategy calls with hotels to align goals, enhance performance, and optimize engagement.
- Led cross-selling initiatives and auditing projects to identify new revenue opportunities and drive measurable ROI.
- Activated new accounts and expanded market share by leveraging strong client relationships and strategic market insights.

Senior Business Development Associate – Scaler — May 2022 – Jan 2024

- Pioneered a comprehensive analysis of the B2C market, identifying key trends and untapped opportunities that contributed to a 20% YoY revenue surge.
- Spearheaded cross-functional teams to implement innovative B2C sales strategies, driving portfolio expansion and acquiring pivotal consumer accounts.
- Applied consultative selling techniques and data-driven approaches to achieve a 15% improvement in conversion rates and surpass sales targets.
- Negotiated and closed deals with high-profile clients, securing long-term partnerships and aligning product offerings with market demands.

Senior Business Development Associate – Planet Spark — Jan 2021 – Apr 2022

- Delivered 25% customer satisfaction growth by presenting tailored ed-tech solutions in the US & Canadian markets.

- Surpassed quarterly revenue targets and enhanced market share by 15% through adaptive sales strategies.

Sales Associate – The Times of India — Jul 2020 – Dec 2020

- Conducted market research, streamlined processes, and fostered client relationships to improve retention.
